

# Principal Pipings

Vol. 69, Issue 4 December, 2013

## Greetings from the dean

Hello AGO Friends!

With the start of a new year, many people's thoughts turn to the making of resolutions. If you're doing so, here are a few AGO-related suggestions for your consideration!

- Learn some new music—you'll have a great opportunity to choose new pieces at our January organ and choral reading session.
- Challenge yourself by exploring one of the Guild's certification exams. You can do it, and you'll learn so much through the process that will make you a better musician, whether you've been at this profession for 3 years or 30.
- Support the AGO on a national level. Attend a convention (Boston in 2014 sounds wonderful!) or make a donation, perhaps in honor of someone who has influenced you musically.
- Support the AGO on a local level. If you've considered running for office, Richard Dwyer is heading our nominating committee this year--let him know of your interest. And support your chapter and our members by attending our programming. If you have ideas for programs you'd like to see next year, let one of the chapter officers know. It's your Guild, and we want to serve the interests of our members.

Don't forget the potluck and reading session, January 17-18 at Tates Creek Christian Church. It would be a great time to bring a friend, too!

Happy New Year!  
Jane
