

Principal Pipings

Vol. 70, Issue 3 October, 2014

Greetings from the dean

Hello AGO Friends,

With the cooler weather we've been having lately my thoughts have turned to woolen sweaters, colorful chrysanthemums, hot chocolate, and how little time there really is between now and Advent, Christmas, and Epiphany! If you are looking for some new music to enhance those seasons, we have the perfect program for you! Come join us on Saturday, October 18th at 9 am for an organ and choral reading session at St. John's Episcopal Church in Versailles. We will have brand new music from MorningStar and GIA publishers to read and purchase. You won't want to miss out on this opportunity to add to your library. Chapter member and St. John's organist/choirmaster Bill Webber is excited to showcase the recent refurbishment of the church's historic Hook and Hastings tracker, so if you'd like to volunteer to play a piece or two or to conduct some of the reading session anthems, please let me know and I'll arrange to get music to you. I look forward to seeing everyone there! Don't forget to bring a friend, too.

Last Friday your chapter officers were fortunate to travel to New Albany, Indiana, where we were the guests of our former Region Councillor and now Councillor for Membership/Convener of the Regional Councillors David Lamb for dinner with AGO's National Council. Following dinner we were treated to a concert by four Indiana University organ students who have all recently won major competitions. They were splendid! It was a lovely evening with plenty of opportunity to talk with folks from around the country to see what their AGO chapters are doing. We also had the chance to meet with Karl Bruhn, our newly elected Great Lakes Region Councillor. He asked what our chapter had planned for the year, and when we reeled off the list of varied programming and told him of the new organ installations in the area and their recital series, he was impressed. There's no doubt that our chapter is thriving, and it's because of YOU—our membership! Thanks for all you are doing to support Lexington AGO!

Happy Fall,

Jane
