April 2019, Vol. 74, Issue 9

## Dean's Message

Happy April!

I hope you're enjoying these warmer temperatures – I think I even saw the sun a couple of days this week! If you're anything like me, you're excited to start your spring with learning new music and pulling out old favorites, as you get ready for Easter and beyond.

This month, we don't have a formal program scheduled, as historically we have tried to avoid any large programs around Easter. However, there are still plenty of events going on this month around the chapter and community, including a couple of recitals at Campbellsville University. If you haven't been to Campbellsville, you should consider going to one of the recitals. Dr. Wesley Roberts devotes quite a lot of effort in creating a wonderful recital schedule every year. I went to my first recital there last fall and heard the lovely little organ in the Catholic Church on campus, and I know the large organ in the Chapel is magnificent.

Our executive committee has been hard at work all winter planning our programming for next year, and I'm excited to announce that our 2019-20 programs will include events such as a Bach themed recital and masterclass with Paul Barte of Ohio University, a harpsichord workshop, a members' recital, a presentation on a music library software program, an "organ crawl" at Asbury University, and a recital and workshop by David Enlow of Julliard fame. Dates for these events and others will be announced soon – stay tuned!

James

## Election 2019

It's election time! Thank you to Angela Hurley, Executive Committee Member-At-Large 2019, for her service since being placed on the council to fill a vacated spot a couple of years ago. Our nominee for her replacement and the position of Member-At-Large 2022 is Maria LeRose-Herndon. Maria is a long time member of the chapter, and studied organ at UK. She is currently the organist at Park UMC in Lexington. To vote, please send your vote to Tina Wagoner either by email ([organazi@gmail.com](mailto:organazi@gmail.com)) or by mail (address can be found in your yearbook) no later than April 20, 2019, so the votes can be tallied and the results announced in the May newsletter.

Do you have ideas for our newsletter? If you have a story of interest or something you'd like to see in the newsletter, please contact James Humlong. Thanks to Scott Heydinger, who suggested the article series in the last two newsletters about our chapter members abroad. Also, since the chapter does not produce a newsletter during the summer months, if you have something the chapter would be interested in over the summer, please let James Humlong know no later than April 20 so it can be included in the May newsletter calendar.

Grant Holcomb, Larry Sharp, and Wesley Roberts pose for a photo after playing for the Bach Marathon on March 23 at Maxwell Street Presbyterian. Thanks for representing the chapter!

## Organs Available

**ORGAN FOR SALE:** In December of 1998, First Christian Church in Monticello, KY, purchased an Allen Digital Computer Organ (Renaissance Model R270) from the Henderson Music Company in Lexington, KY.

While this beautiful organ brought many joyous moments to all of us here at First Christian Church, we are currently looking for a new home for it. It is well-maintained and still in pristine working condition.

If you or anyone you might know of are interested in purchasing this, please email [jennifer@firstchristianmonticello.com](mailto:jennifer@firstchristianmonticello.com) or call 606-348-5131 and speak to our Pastor, Joe Tipton.

**FREE PRACTICE ORGAN:** Baldwin Model 10 available for free. Owned by Tim Singleton, former manager of WEKU and is located in Richmond. Tim is moving and cannot take it with him. Two manuals and full AGO pedalboard. Must pick up. External speaker capability, and Tim currently uses his stereo for sound. In excellent condition, everything works. Must be moved by the end of April. For more information, please contact Tim Singleton at (859)624-5861 or [tsingleton000@gmail.com](mailto:tsingleton000@gmail.com)

## Around the chapter...

Don't forget to think about heading to Grand Rapids to the 2019 Regional Convention. In addition to almost a dozen organ recitals and concerts, they will feature handbells, brass, carillon, and the theatre organ. There will also be some familiar faces to the Lexington Chapter, including recitals by Nicole Keller, Katelyn Emerson, and Ken Cowen. You can find more information on their website at [www.grago2019.org](http://www.grago2019.org).

Do you know a young organist that wants to further their organ skills with great teachers around the country? Consider a Pipe Organ Encounter! Early registration is now open for several of these POEs around the country in Cape Cod, Massachusetts, St. Louis, Missouri, and Seattle, Washington. For the first time, there will also be a POE in Europe, in Helsinki, Finland. Also available are a POE Advanced for high school students already well versed in the organ, held in Houston, Texas, and a POE Technical for those ages 16 to 23 that are interested in learning about organ building. More information can be found through links available on [www.agohq.org](http://www.agohq.org).

As a reminder, it is always free to list a community event in the Calendar of Events in the newsletter as well as the website, and these can be sent to James Humlong or Scott Heydinger. If you would like a separate email sent out to the chapter or would like an ad or special article in the newsletter about your event, this is also an option available for the small fee of \$30 for the first month and \$20 for the same ad each month thereafter. You have seen Christ Church Cathedral do this every month on page 3 of the newsletter, as well as many other churches and groups on occasion. This was decided by the Executive Committee in 2017, as there were so many wonderful events going on it became too difficult to send a special email out for every single event. If you would like more information about this, you may contact James Humlong directly.

## **FIRST PRESBYTERIAN CHURCH**

K n o x v i l l e , T e n n e s s e e

The church's 1963, III/55 electro-pneumatic, pipe organ received a complete renovation including a new console, releathering, revoicing, additional ranks and new classical style façades. Reinstalled 2018
